

On June 2nd 2007 John Hall was taken to Waddy Lodge 662 for the purpose of getting his E A Degree. Waddy Lodge invited Solomons' Lodge members present to a chili supper with them. It was delicious and enjoyed by all. At 7:30 the Lodge was opened on the Master Masons Degree and the business was taken care of . the Lodge was then called to refreshments and reopened on the E A Degree for the purpose of conferring that Degree on Mr. Hall. The work was done in a very impressive manor in all three sections. Mark Whitaker set in the East on the first section, Rick Nation did the second section, and Roger Dale Moore did the third section.
